€135 start fee

Competition admission

The race uniforms must be in accordance with the ETU Competition Rules.

Timekeeping

Timekeeping is done through champion chips by Mika timing.

Registration and start fees

There are no refunds for non-participation.

German participants in the European Championships races must register via the DTU (<http://www.dtu-kalender.de/event/international/list>).

All other elite athletes taking part in the European Championships must register directly via their national association (<http://europe.triathlon.org/federations>).

By registering, the participant accepts the European Triathlon Competition Rules (at <http://etu.triathlon.org/>) and the host and promoter's conditions in acc. with the tender.

Participation is expressly your own responsibility and at your own risk.

The host does not accept any liability in the case of accidents, theft or other cases of damages.

The host reserves the right to postpone or cancel the competition in the event of adverse weather conditions / storms or other unforeseeable reasons. The entry fee will not be reimbursed. By registering, the participant waives any rights of compensation.

Registration Closing date

Registration deadline for participants in the Elite European Championships according Competition Rules.

Starting documents – Race Package

The race packages with all starting documents will be handed out on Thursday, 22.06.2017 in the Courtyard by Marriott Hotel Düsseldorf Hafen after the briefing.

Information on competition routes

Competition Rules

The event is subject to the competition regulations of the European Triathlon Union Competition Rules (anti-doping code, judge's regulations, uniforms) as well as legal and procedural regulations and the disciplinary regulations. By registering, the participant accepts that the legal and procedural regulations, and in particular the anti-doping code, are binding. These regulations serve the uniform practice of the sport with equal chances and are not contestable before the courts. Their adherence and recognition is a basic requirement for participation in the event. Each participant is responsible for the technical safety of their equipment and must ensure that it complies with the regulations.

Race briefing

The briefing for the Elite will be held on Thursday, 22.06.2017 at 6pm.

Transition Area

Check-In TBA

The Transition Area is on Stromstraße. Further information is available online at <http://www.triathlon-duesseldorf2017.de/>.

Allocated start numbers must be visibly attached to the bicycle and helmet before check-in. At check-in, the bicycle and helmet will be checked. Both must correspond to ETU Competition Rules otherwise you will not be allowed to enter.

Swimming

The swimming takes place at Düsseldorf MedienHafen and will be carried out as an open water event. Here, the temperature tables of the sport regulations of the ETU apply. A decision as to whether it is allowed to swim in neoprene suits will be made by ETU TD on the day of competition. The swimming caps handed out by the host must be worn.

Sprint distance 750m

Cycling

The cycle routes are fully blocked from traffic. The obligation to wear a helmet applies in accordance with ETU Competition Rules. The German road traffic act applies for the whole cycle route. The instructions from police and security officials must be followed.

For the **Elite drafting has been requested**.

Sprint distance: Elite

4 laps at 5.2 km = 20.8 km

Running

The running takes place around Düsseldorf MedienHafen on fixed, blocked routes. You will run a circuit of 2.5 km.

It is forbidden to be accompanied or supervised on the running track. Lap checks are carried out via time recording mats and video surveillance. The exact course of the running circuit can be viewed on our website.

Sprint distance: elite

2 laps at 2.5 km = 5 km

Finish line

The finish line is in front of the Gehry Buildings. First recovery, catering, first aid services will be available here after the competition. Extra catering, recovering and massage opportunities will be available in athletes' lounge. The Medal ceremonies will take place directly after the race in the elite's Transition Area.

Liability disclaimer – liability limitation

If the host should make changes to the event, or cancel it, in the case of Force Majeure, or is obliged to do so on the basis of an official decree or for safety reasons, the host is under no obligation to provide compensation to the participant. The host reserves the right to postpone or cancel the competition in the case of adverse weather conditions / storms or for unforeseeable reasons. In these cases, there will be no reimbursement of start fees. By registering the participant accepts this and waives any rights to compensation. In the case of non-participation, there will be no refund of the start fee. By registering, the participant accepts the sport regulations and the conditions of the host and organiser in accordance with the tender. Participation is expressly your own responsibility and at your own risk. The host does not accept any liability in the case of accidents, theft or other cases of damages. The host and their legal representatives and vicarious agents are only liable in the case of intentional or grossly negligent behaviour. The host does not accept any liability for health risks to the participants in connection with participation in the event. The host does not accept any liability for objects stored free of charge.

Obligation of the participant:

With my registration, I declare my consent to the organisation guidelines and my willingness to follow the instructions of the helpers. My level of training and health corresponds to the requirements of the competition. I am responsible for the technical state of the materials that I use. I ensure that I will not make any legal claims and demands on the host or organiser and their helpers or representatives, all affected cities and communities, and other persons or corporations, unless there are any liability insurance claims. The entry fee will not be debited if my registration could not be accepted. I hereby recognise the competition regulations of the tender and the liability disclaimer.

Data collection and data use

The personal data given on registration by participants will be saved and only processed for the purpose of the realisation and management of the event. The participant declares their consent for the data provided in the registration to be compiled and passed on for time recording, placement and results, and for photos, films and interviews made in connection with the event to be published, without a claim to remuneration.
